

F FLOATING
 design floating floor

Comfortable living is not a luxury.

CLASS **23** / **32**

COLLECTIONS	EXCLUSIVE	ETHERNAL
Dimensions EN 427	900 x 300 x 11 mm	900 x 300 x 10 mm
Weight EN 430		8 Kg/m ²
Level of use Domestic		23
Level of use Commercial		32
Dimensional Stability EN434		0.1%
Castor chair EN 425		no visible change
Effect of a furniture leg EN 424		no visible change
Resistance against impact (big ball) EN 13329, Annex F		1800 mm
Microscratch resistance DIN EN 16094		MSR-A1 / MSR-B3
Abrasion resistance prEN15468:2013, Annex A (Falling-Sand method)		5200 revolutions
Residual Indentation EN ISO 24343-1		0.13 mm
Fire Resistance DIN EN 13501		Cfl-s1
Anti-sliding properties EN13893		DS
Anti-slip property DIN 51130:2014		R9
Formaldehyde emission EN 717-1		E1
Electrostatic behaviour EN 1815		Antistatic Floor Covering
Thermal Resistance EN 12667		0.1 (m ² K)/W
Impact Sound Reduction EN 140		17 dB - 19dB
Impact Insulation Class IIC according ASTM E 492-09 / ASTM E 989-89		55 dB
Resistance to changing climate IHD-W-424		No visible change
Locking strength ISO 24334		
Short side joints		4.8 kN/m
Long side joints		4.2 kN/m
